In re: Application of Trajector Legal, LCC

AMENDED ORDER FOR AUTHORIZATION TO PRACTICE LAW

Based upon the Utah Supreme Court's plenary and constitutionally granted authority to regulate the practice of law in Utah, and the tenets of Standing Order 15, the Utah Supreme Court orders that Trajector Legal, LLC ("Trajector Legal") is authorized to practice law within the regulatory sandbox and subject to the restrictions outlined below.

The Court has reviewed the recommendation of the Office of Legal Services Innovation ("Innovation Office") dated March 18, 2021, for Trajector Legal to be authorized to practice law.

Trajector Legal seeks authorization to offer services in the Sandbox as a firm owned by nonlawyers. The entity will be owned 100% by Benefits Group Holdings, LLC, a holding company owned more than 50% by nonlawyers. Trajector Legal will employ Utah-licensed lawyers to offer legal representation and assistance to veterans seeking benefits and other legal services.

The Innovation Office has assessed the risk of harm to Trajector Legal's targeted consumers relative to the risk of harm they currently face and has determined that the risk of harm presented by Trajector Legal's services is Low.

In light of the Court's responsibility to the public to effectively regulate the practice of law in Utah and in keeping with the tenets of Standing Order 15, the Court now orders as follows:

1. Trajector Legal is authorized to offer legal services through the following methods:
 - a. Lawyers employed or managed by a nonlawyer

- b. Nonlawyer ownership
2. Trajector Legal is authorized to provide legal services across the following legal service areas only:
 - a. Accident / Injury
 - b. Education
 - c. Healthcare
 - d. Military
 - e. Public Benefits
 3. Trajector Legal shall conform to the Low innovation reporting requirements imposed by the Innovation Office.
 4. Trajector Legal will prominently display the following disclosure requirements:
 - a. Innovation Office Badge
 - b. Nonlawyer ownership disclosure

If Trajector Legal wishes to alter these conditions or requirements, it must submit any such change to the Innovation Office for further assessment. The Innovation Office will assess the proposed change and may permit the change if it deems the change does not materially increase the risks to consumers. If the Innovation Office finds a material increase in risk, then it will present the issue to the Court for further consideration.

This authorization is granted for the duration of the existence of the Sandbox, or until exit and permanent licensure at the discretion of the Court. Authorization is subject to Trajector Legal's compliance with the conditions and requirements set forth in the Innovation Office Manual and the Innovation Office Recommendation to the Court and to a verification by the Innovation Office that the company's services are not causing material harm to consumers.

DATED this 10th day of August, 2022.
