ORDER TERMINATING AUTHORIZATION
TO PRACTICE LAW

Based upon the Utah Supreme Court's plenary and constitutionally granted authority to regulate the practice of law in Utah, and the tenets of Standing Order No. 15, the Utah Supreme Court orders that Visa Finder Immigration LLC's authorization within the Utah legal regulatory sandbox (the "Sandbox") is terminated.

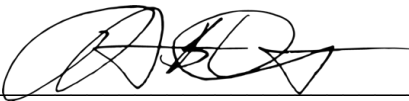

The Legal Services Innovation Committee recommended the termination of Visa Finder Immigration LLC's authorization order as it has not implemented its Sandbox model within Utah.

In light of the Court's responsibility to the public to effectively regulate the practice of law in Utah, and in keeping with the tenets of Standing Order No. 15, the Court now orders as follows:

Any and all orders authorizing Visa Finder Immigration LLC to provide services within the Sandbox are terminated. This includes, but is not limited to, the Order for Authorization to Practice Law in Utah dated April 10, 2023.

In the event this entity, or any associated entity, wishes to operate within the Sandbox, it is required to seek a new authorization order through the application process.

DATED this 23rd day of January, 2025.
